

# THE PERFECT HOLIDAY GIFT

from the publisher of American Police Beat

the book that's changing the way people feel about the police

“Remarkable stories of 15 officers who repeatedly risk their lives and in some cases their physical and mental health to serve and protect.”

– *Ray Kelly, Commissioner, NYPD*

“Should be required reading for every rookie in every police academy.”

– *Rich Roberts, International Union of Police Associations*

“Seminal work on the complexities of law enforcement work.”

– *Bill Bratton, former Chief, LAPD Commissioner, NYPD and Boston*

“A rare intelligent and sympathetic portrayal of the people who have chosen a career in law enforcement.”

– *Lee Baca, Sheriff, LA County Sheriff's Dept.*

“Unique voyage straight into the hearts and minds of the remarkable people who have chosen the most noble profession – keeping people safe by bringing justice to those who seek to harm them.”

– *Craig Floyd, Chairman, National Law Enforcement Officers Memorial Fund*
