

# Philadelphia P.D. recruits to study *Brave Hearts*

“After a thorough review by my command staff, we have decided to incorporate Cynthia Brown’s book, *Brave Hearts: Extraordinary Stories of Pride, Pain and Courage*, into the curriculum at the Philadelphia Police Academy. The author has prepared detailed and thought provoking questions for each of the 14 chapters that we know will provoke discussion and enlighten our recruits about the complex, important, and challenging job they have taken on.”

– Commissioner Charles Ramsey  
Philadelphia Police Dept.
